

January 24, 2024

Dear Community Member,

Victim Outreach Intervention Center (VOICEe) is a reputable non-profit organization that has been serving as the exclusive provider of comprehensive support for victims of domestic violence, sexual assault, and other violent crimes in Butler County for over four decades. Our agency is dedicated to fulfilling our mission of offering free and confidential services to individuals and families in need.

The VOICE organization has an incredible opportunity to relocate to a new facility that will facilitate substantial growth and development for the agency and the individuals it serves. However, this transition will entail additional expenses beyond our regular operating costs. For instance, we will need to invest in twenty-one fire-rated doors and five windows that meet safety standards, with an approximate cost of \$3000 each.

To help with this particular cause, we have initiated a door sponsorship campaign. Should your organization be interested in sponsoring this effort with a contribution of \$3000, we will affix a placard displaying your agency's information to the door or window permanently. Furthermore, VOICEe will acknowledge your agency on our website and various social media platforms. We will gladly furnish you with donation documentation for your tax records.

Please kindly consider supporting VOICEe's fundraising efforts through the door and window sponsorship campaign. Should you have any additional inquiries or require further information, we invite you to contact Katie (Ext. 301) or Tracy (Ext. 210) at 724-283-8700. Your support is sincerely appreciated.

Sincerely,

Tracy Veri, Ph.D.  
Executive Director, VOICEe
